DENMARK CENTRE for SUSTAINABLE LIVING

We'll be having a two night camp **February 26th, 27th and 28th** at Denmark's Centre for Sustainable Living. We'll be meeting Friday, January 26th at 9:30 am to load and leave by 10:30. We'll be returning on Sunday, February 28th arriving back around at 4:30 pm. Activities include an eco cruise, fishing, a pub night, party/barbeque and trips to the beach.

The **final cost will be around \$180 - \$200** and this includes transportation, meals, activities and accommodation. All you will need is some spare spending money, your suitcase and a good attitude. We need to know if you are coming as soon as possible and final numbers should be in by **Tuesday, February 16th** so we can contact the camp and finalise arrangements.
